## It's Time – Get Vaccinated

[VIC Government](#) has **mandated** that some workers are required to have a COVID-19 vaccination before they can continue to work.

**Anyone who attends a construction site will need to have a first dose of COVID-19 vaccination by 11:59pm Thursday, 23 September.**

### Walk-ins for construction workers

You can walk-up (without a booking) to some of Victoria's biggest vaccination centres to get a COVID-19 vaccine. Pfizer will be offered for construction workers under 60.

The [special 'walk-up, no-booking' sites](#) and times are:

- **CAMPBELLFIELD** - The old Ford Factory at 358 Barry Rd in Campbellfield, Monday to Sunday between 8:00am to 11:00am and again between 5:00pm to 8:00pm.
- **HEIDELBERG REPAT HOSPITAL** - on Banksia St, Monday to Sunday between 8:00am to 11:00am, and again between 5:00pm to 8:00pm.
- **WERRIBEE** - Eagle Stadium on Ballan Rd, Monday to Sunday between 8:00am to 11:00am, and between 5:00pm to 6:00pm on Thursdays and Fridays.
- **MELTON WEST** - at the old Bunnings at 149 Barries Rd, Monday to Sunday between 8:00am to 11:00am, and between 5:00pm to 6:00pm on Thursdays and Fridays.

**CALL** 1800 675 398 to make your priority booking appointment today.

**BOOK** with a [doctor's clinic, pharmacy or community health service](#).

**PLUS** thousands of priority vaccination bookings are also available at all of Victoria's vaccination centres.

The best vaccine is the vaccine you can get today. If have any questions or concerns you can talk to a GP, pharmacist or to a senior and experienced immuniser at the VIC Government state-run sites.

**ANC is asking all contractors and employees to prioritise your vaccination immediately.**

Please ensure you meet the minimum criteria (1 dose) to ensure ANC can give you work.

**THANK YOU** to everyone who is vaccinated and everyone who is well on their way to getting vaccinated.

**Team ANC, let's do this for each other.**
