## COVIDSafe Delivery Essentials

1. Call the recipient prior to arriving - check no one on site has COVID-19 symptoms, are close contacts, is in isolation, travelled overseas, has flu/cold symptoms.
2. On arrival - ask if the recipient will accept the delivery at the front door, inside front door or into garage because this is the safest location during lockdown.
3. If required to enter the site and deliver into room of choice:
  - Confirm it is safe to enter the site, checking no one on site has COVID-19 symptoms, are close contacts, is in isolation, travelled overseas, has flu/cold symptoms
  - **DO NOT ENTER** the site if you have concerns, consult with your Manager
  - **DO ENTER** the site if safe to do so, remembering:
    - masks are mandatory at all times
    - 1.5 physical distancing
    - recipient must ensure 1.5m physical distancing and wear a mask at all times, with only one person communicating with the delivery team
    - all others on site (householders) are asked to isolate in another room until the delivery team has left the site.

## Maintain COVIDSafe Behaviours - Always

- Masks are mandatory at all times
- Wear the mask properly – covering over nose, mouth and sides of face, fitting snugly under your chin
- Physical distance of 1.5m at loading - stay in vehicle until load ready, avoid walking around sites
- Physical distance of 1.5m (at least) throughout the delivery, especially when entering homes
- Ask recipient of goods to keep 1.5m physical distancing (at least) and wear a mask at all times, with only one person communicating with the delivery team
- Contactless POD – photo of goods on site, type in recipient name with X in place of the signature
- Do not distribute 'thank you' cards
- Follow the [Complex Deliveries Cleaning Guide](#)
- Practice extremely good hygiene:
  - Wash or sanitise hands frequently
  - Cover coughs and sneezes, dispose of used tissues immediately
  - Avoid touching eyes, nose, mouth
  - Clean and disinfect surfaces: steering wheels, dashboards, internal vehicle surfaces
  - Clean and disinfect objects: mobile phones, keys, wallets, pens and work passes
  - Increase fresh air flow by opening windows or adjusting air conditioning.

### **IF YOU'RE SICK GET TESTED QUICK**

- **Stay home** if you or a member of your household is waiting for test results
- **Stay home** if you or a member of your household could be a COVID-19 close contact
- **Stay home** if you're unwell (fever 37.4+, sore throat, cough, shortness of breath, runny nose)
- If you're sick get tested quick.

Thank you for your care, professionalism and vigilance throughout these unprecedented times.
